

What is *Girls on the Run*?

Girls on the Run® is a curriculum-based, 10 week after-school youth development program designed for **3rd-5th grade girls** of all fitness and ability levels. The girls meet twice per week with trained volunteer coaches to discuss important life lessons while playing fun games involving movement and running. Girls on the Run® emphasizes making healthy choices, problem solving, developing self-confidence, and creating positive friendships. The season ends with the girls participating in a non-competitive 5K event, which will be held on November 11, 2017 in Fishers..
