About Autism Enrichment Foundation, Incorporated

Autism Enrichment Foundation, Incorporated is a 501(c)3 corporation that was founded in February 2017.

The mission of the Organization is to enrich the lives of individuals on the autism spectrum through support and opportunities focused on education, physical activity, life skill development, and building life-long friends.

The inspiration behind the Organization is the Treasurer's son, Sean B. Sean is a freshman in the life skills class of Fishers High School. His father, Patrick B, and step-mother, Veronica, started Autism Enrichment Foundation to build a community around individuals as inspiring as Sean.
